Attention: Admiral Turner

Dear Sir:

I corresponded with you some time ago in regards to your appearance on Good Morning America and the good job that I felt that you did.

I have long been an active supporter of a strong national defense and of our military services - particularly the U. S. Navy and my close friends Admiral Wes McDonald, Admiral Bob McClinton and Admiral Bruce Keener.

I feel it is imperative that people throughout the nation realize the importance of a strong national defense as well as an intelligence system that upholds what we believe in our constitution - something that I believe that you are doing.

With that bit of background I would like to ask for your assistance and for your appearance as our guest speaker at our South East Idaho Lincoln Day Association Banquet on Saturday 23 February 1980 to be held that evening in Idaho Falls Idaho. We will have on hand to greet you as well our local, state and national legislators - Senator Jim McClure, Congressman George Hansen and Congressman Steve Symms. Attendance should be somewhere around 300 and I can also set up extra media appearances if you so desire so that your coverage can be extensive throughout the State of Idaho.

This event is one of two annual fund raising events for our counties in this part of Idaho. I do hope your schedule will permit your attendance so that we may also gain first hand knowledge from your wisdom and experience.

As the date is rapidly approaching, I would appreciate a verbal or written answer as soon as possible. You may contact me at the above address or by phone at 208-526-1342 from 6:30 a.m. to 6 p.m. mountain time or at my home phone -
